Date: 09.05.2008

VMC RESOLUTION

AGENDA

1. Construction of Computer Room.
2. Purchase of Computers.
3. Purchase of Computer Tables.
4. Purchase of Air-Conditioners.
5. Purchase of Moulded Chairs.
6. M&R of Class-room Furnitures.

RESOLUTION

Following resolutions are adopted by the Vidyalaya Management Committee (VMC) in its meeting held on 09.05.2008. The works should be taken-up during the period of Summer Vacation, so that the student can get the benefit of the same after reopening of the Vidyalaya.

1. **Construction of Computer Room** : In order to impart better Computer teaching to the students of the Vidyalaya following resolutions are made. Funds available in VVN may be utilized for this purpose.
 - There should be two Computer Labs. One for the students of Classes III to X and one for XI & XII. The existing second computer lab, being smaller in size may be shifted to a bigger room, which can accommodate 40-45 computers, sufficient for the students of one section of a class.
 - The New Computer lab. should be made by constructing a false ceiling, POP and distempering, mat/vinyl flooring, vanitian blinds for windows, glass door at the entrance, proper electrification (for accommodating the computers, AC's, LCD Projector) and LAN connection.
 - A grill gate should be fixed near the entrance door, so as to ensure protection of the computer room.
2. **Purchase of Computers** : The Vidyalaya may purchase 21 Computers on DGS & D rate contract as per the specifications provided by KVS. Out of 21 computers, 15 computers should be purchased from the funds available in VVN and 06 from the funds available in SF. One/Two No. of Online UPS (3 kVA or more with at least 30 minutes back-up time) should also be purchased for uninterrupted power supply.
3. **Purchase of Computer Tables** : The Vidyalaya may purchase 40 computer tables (Single) or 20 computer tables (Double) as per requirement/setting of the room.. Tables should be arranged on front face type (as in normal class room, i.e, all computer should face towards the White Board). Funds available in VVN may be utilized for this purpose.
4. **Purchase of Air Conditioners** : The Vidyalaya may purchase 12 Nos. of Air Conditioners [04 (1.5T-Split) for 2nd Computer Lab, 03 (1.5T-Split) for the Library, 02 (1.5T-Window) each for Sr. Computer Lab & Activity room and 01(1.5T-Split) for Principal's room]. Though the AC's are available on DGS&D rate contract, the Vidyalaya may also contract the authorized dealer for the supply, if the same is available at lower rate than the DGS & D rate contract. Funds available in VVN may be utilized for this purpose.

Contd...2/-

5. **Purchase of Moulded Chairs** : The Vidyalaya may purchase 250 moulded chairs (branded - Cello, Supreme, etc) for multipurpose use of the Vidyalaya. Funds available in VVN may be utilized for this purpose.
6. **M&R of Existing Class-Room Furnitures** : The existing damaged/broken classroom furniture, which includes desks, benches, chairs, tables, almirahs, pigeon holes, display boards, etc. should be repaired locally by hiring carpenter, mechanic on daily basis. The materials may be supplied by the Vidyalaya.
